ALL INFORMATION CONTAINED

There are being set out hereinafter the various agreements

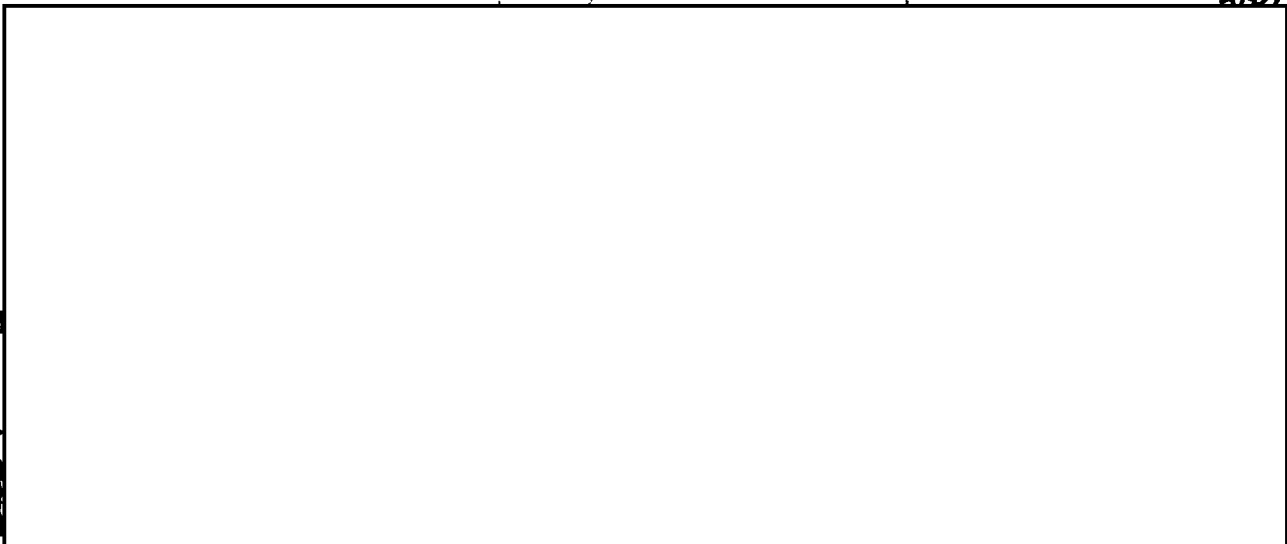

The territory covered by the San Juan field office includes the island of Puerto Rico and the Virgin Islands. Puerto Rico is located approximately 1100 miles southeast of Miami. The area of this island is 3406 square miles, it being approximately 100 miles in length and 40 miles in width. The Virgin Islands, which are located 40 miles east of Puerto Rico, are a group of islands for the most part uninhabited. The three principal inhabited islands of this group are Saint Thomas, Saint John, and Saint Croix.

The Bureau opened a field office at San Juan in May of 1937. Since that time it has been closed for short periods of time on two occasions, but has operated continuously since July, 1940. Mr. R. F. Gleason has been in charge of the San Juan office since August, 1941.
